

# **Customer Engagement Strategy for Building Safety at Aytoun Court**

Last updated: July 2025

This document will be reviewed quarterly by the Regional Manager to ensure it's up to date and the last updated section will reflect this.

# Keeping you safe at Aytoun Court

**We want to ensure that each and everyone of you has a safe place to call home, and that includes your home, your building and every one.**

However, it's important that you feel comfortable in telling us if you have safety concerns and that you can do it in a way that suits you. It's important that you as a resident can be involved as little or as much as you like when it comes to shaping our services and plans, and that we're there when you need us.

## How to talk to us

We have a number of ways you can get involved, and get in touch.

### High-Rise Safety & Repairs Day

We hold these at all of our high-rise buildings once a year, and they're an opportunity to look at, and ask questions about the safety of your building, get quick-fix repairs completed, and book in others!

#### Tuesday 15 July 2025

Report Repairs	10am until 1pm
Building Safety Drop-In	11am until 12pm
Site Safety Walk	12pm until 1pm

## Events

### High-Rise Forum

Thursday 17 July 2025
