Practical Horticulture Diploma Level 1

What you will be learning?

Focusing on the practical side of horticulture, you will be able to learn skills such as planting out, preparing ground, pruning, using a mower, maintaining turf etc.

Where you will be working and learning?

You will be working with a national facilities company (Sodexo) who have the contract to maintain and develop the grounds for Your Housing (Warrington). You will need to get yourself to the Warrington Depot (WA4 6QQ) or Birchwood Estate area every morning. You will be trained to use equipment and complete horticulture tasks. You will learn work skills e.g., teamwork, CV writing etc. in a small group.

What employment opportunities are there?

There are interviews opportunities with Sodexo for everyone that completes the course; they are recruiting a number of staff and once employed it is likely you will have the opportunity to take horticulture qualifications at Level 2 if you would like to.

Upon completion of the course, you will have a nationally recognised certificate, a well written CV and all the experience you have gained to discuss with any employer.
