

# Customer Engagement Strategy for Building Safety at Canal Court

Last updated: January 2025

This document will be reviewed quarterly by the Regional Manager to ensure it's up to date and the last updated section will reflect this.

## Keeping you safe at Canal Court

### We want to ensure that each and everyone of you has a safe place to call home, and that includes your home, your building and every one.

However, it's important that you feel comfortable in telling us if you have safety concerns and that you can do it in a way that suits you. It's important that you as a resident can be involved as little or as much as you like when it comes to shaping our services and plans, and that we're there when you need us.

#### How to talk to us

We have a number of ways you can get involved, and get in touch.

#### **High-Rise Safety & Repairs Day**

We hold these at all of our high-rise buildings once a year, and they're an opportunity to look at, and ask questions about the safety of your building, get quick-fix repairs completed, and book in others!

#### Tuesday 6 May 2025

Report Repairs	10am until 1pm
Building Safety Drop-In	11am until 12pm
Site Safety Walk	12pm until 1pm
